Agenda:

1. Venues:

For Wednesday and Thursday are now at Accrington and Rossendale college and Mondays will remain at Mount Carmel.

2. Season Start: 18th September 2023 - Registrations should be ongoing. Fixtures are out – there are issues because of preferred nights and trying to make fixtures fit.

All teams and players to be registered by Friday 15th September 2023. Same process as last year and there are 3 aspects for Affiliation Secretary to check so cannot be left until 18th.

Waiving the time frame in the rules to 15th to allow teams as much time as possible to register.

3. Match Fee and joining fees stay as same as last year: £10 per player, £25 per team and £50 per match.
4. Table officials – Pam, Xander, Josh, Sarah
5. Referees - Emma, Craig, Dave and Sarah this season with potential assistance from Northwest Basketball. Some involvement from NWREDD with a view to development for 2024/2025 season.
6. NW Basketball to cover cost of officials jerseys.
7. New website in progress with assistance from NW basketball. Existing website to remain in place until we sort new one.
8. League Structure to remain the same – 12 teams is our maximum. League competition and Play offs to be held. No CUP competition. Playoff trophies to be returned at end of season.
9. League rules as per last year – small addition - off court conduct. This is to address behaviour and contact with officials and committee members off the court – unacceptable comments/ messages
10. AOB:

Smoking: ACROSS College site is completely Non-Smoking so not possible to smoke on the site – exit to site is not close like it is at Mount Carmel so please do not smoke on site as we must abide by their regulations, or we will be asked to leave.

Children: Reports last year of people climbing on car roofs – if you bring your children to matches they must be supervised at all times.
